turnaround times

We aim to complete your work in the fastest possible time, however, please allow 5-7 working days for lithographic work and 3-5 days for full colour business cards. Full colour posters do require drying time, so will need an additional 2-3 hours before collection. Graphic design times may vary depending on how busy we are, let us know your deadline and we will do our best to accommodate your needs.

You can supply your own artwork either on disk, usb or by email. If you are doing this we prefer the file to be either a pdf, eps or tif format. Please note that we do not accept indesign or illustrator files, these can be easily converted to pdf.

All files must be supplied with 3mm bleed if you require your job to be printed borderless. Please convert all text to outlines or curves with outlines set at zero. All text and graphics should be kept at least 5mm away from the trim edge to avoid being cut off. Artwork prices start at £14.

You can supply your artwork either on disk, usb or by email. If you are doing this we prefer the file to be either a pdf, eps or tif format. Please note that we do not accept indesign or illustrator files, these can be easily converted to pdf. We accept Autocad files in 2004 version or earlier only and you should include any custom pen settings with your file. Large format scans to cad format are available on request.

For large format prints please ensure that your file is set to at least 100dpi at actual size to give the best print quality.
